INDIAN AUDIT AND ACCOUNTS DEPARTMENT

OFFICE OF THE ACCOUNTANT-GENERAL, MYSORE, BANGALORE.

Notification dated 16th May 1957.

To

All the Heads of Departments,

Divisional Commissioners,

Deputy Commissioners,

Collectors, Drawing Officers, and

Treasury Officers.

Sir,

Subject.—Provident Fund subscriptions and withdrawals rounding off to rupee.

No. 13—Ex. 1 P.F.I. Reference is invited to Rule 6 of the State Provident Fund Rules (Mysore), Rule 11(1)(a) of General Provident Fund (Central Services) Rules and Rule 8 (1)(a) of Contributory Provident Fund Rules (India) which prescribe that the Provident Fund Accounts should be maintained in whole rupees. It is, however, observed that in a number of cases, fractions of a rupee appear in the Provident Fund schedules of subscribers. As it is contrary to the rules to recover fractions of a rupee towards Provident Fund subscriptions and refunds and as it would also cause confusion, particularly after the introduction of the decimal system of coinage, you are requested to ensure that all Provident Fund transactions are recorded only in whole rupees. Heads of Departments are requested to issue suitable instructions to all the Drawing Officers under their control to scrupulously adhere to the rule and to these instructions in the matter.

The receipt of this circular may please be acknowledged.

In continuation of this office Circular No. 11—T.M., dated the 7th March 1957 on the subject indicated above the following supplementary instructions are issued for the guidance of the Treasury Officers.

In paragraph 5 (1) of the Circular referred to above, it was required that the opening balances as an 1st April 1957 in the case of Stamps, Civil Deposits, Criminal Deposits, etc., should be converted into the Decimal Coinage before entering the transactions of April 1957. The Treasury Officers should also ascertain the loss or gain arising from conversion of individual accounts maintained in departmental offices for which lumpsum accounts are maintained in the treasuries and incorporate them in the requisition to be sent to this office. By way of illustration an example is worked out in the annexure.
